- 1.4 There are three main classes under the prescribed pension credit age scheme, for each of which there are a number of qualifying criteria. In all cases individuals must not be of a prescribed class exempted from reduction, such as a person subject to immigration control with limited leave to remain. The definition of a pension credit age person is a person who;
- a. has attained the qualifying age for state pension credit; and

 - i. a person on income support, on an income-based jobseeker’s allowance or on an income-related employment and support allowance; or
 - ii. a person with an award of universal credit

The three prescribed classes are as follows;

Class A: pensioners whose income is less than the applicable amount.

On any day Class A consists of any person who is a pensioner:

- a. who is for that day liable to pay council tax in respect of a dwelling of which he is a resident;

68.4 In any case, the notification under sub-paragraph (1) must inform the person affected of the procedure by which an appeal may be made and must refer the person to the provisions in the authority's scheme relating to the procedure for making an appeal.

68.5 A person affected to whom the authority sends or delivers a notification of decision may, within one calendar month of the date of the notification of that decision request in writing the authority to provide a written statement setting out the reasons for its decision on any matter set out in the notice.

- (a) by reducing, so far as possible, the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 refers; or
- (b) where;
 - (i) such a reduction is not possible; or
 - (ii) such a reduction would be insufficient to discharge the entitlement to a reduction under the authority's scheme; or
 - (iii) the person entitled to the reduction is jointly and severally liable for the council tax and the authority determines that such a reduction would be inappropriate, by making payment to him of the amount of reduction to which he is entitled, rounded where necessary to the nearest penny.

69.2 The authority must notify the person entitled to a reduction under this scheme of the amount of that reduction and how his entitlement is to be discharged in pursuance of paragraph (1).

69.3 In a case to which paragraph (1)(b) refers;

- (a) if the amount of the council tax for which he remains liable in respect of the chargeable year, after any reduction to which sub-paragraph (1)(a) refers has been made, is insufficient to enable his entitlement to a reduction under the authority's scheme in respect thereof to be discharged, upon the final instalment of that tax becoming due any outstanding reduction;
 - (i) must be paid to that person if he so requires; or
 - (ii) in any other case must (as the authority determines) either be repaid or credited against any subsequent liability of the person to make a payment in respect of the authority's council tax as it has effect for any subsequent year;
- (b) if that person has ceased to be liable for the authority's council tax and has discharged the liability for that tax, the outstanding balance (if any) of the reduction under the authority's scheme in respect thereof must be paid within 14 days or, if that is not reasonably practicable, as soon as practicable thereafter
- (c) in any other case, the reduction under the authority's scheme must be paid within 14 days of the receipt of the application at the offices of the authority or, if that is not reasonably practicable, as soon as practicable thereafter.

- (b) where this is not possible or the person concerned so requests, pay the amount of any shortfall in reduction due to that person within 14 days of the revision of the decision being made or if that is not reasonably practicable, as soon as possible afterwards.

- (a) a person is entitled to a reduction under the authority's scheme in respect of his liability for the authority's council tax as it has effect in respect of a chargeable financial year;

 - (c) the authority determines that discharging his entitlement by reducing the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992(7) refers would be inappropriate,
- it may make a payment to him of the amount of the reduction to which he is entitled, rounded where necessary to the nearest penny.

74.2 Subject to sub-paragraph (3) any payment made under sub-paragraph (1) must be made to the person who is entitled to the reduction.

74.3 Where a person other than a person who is entitled to a reduction under the authority's scheme made the application and that first person is a person acting pursuant to an appointment or is treated as having been so appointed, the amount of the reduction may be paid to that person.
