2 METRES

A diagram illustrating the 2-metre social distancing rule. It shows two stylized human figures, one on the left and one on the right, represented by white outlines. A horizontal dashed line connects the two figures. In the center of this line is a large number '2'. Below the '2' is the word 'METRES'. Two green triangles point towards each other from the ends of the dashed line, meeting at the '2'. The background is a teal color with white diagonal lines extending from the bottom corners towards the center.
