Dear Sir/Madam

**RE: CPO ORDER FOR 17 PETERBOROUGH WAY, BASILDON, ESSEX SS14 3QE**

I totally, completely and absolutely object to the CPO on the following grounds:
The Craylands Estate is a low density development, therefore there is plenty of surplus land for new homes without the need to demolish any of the maisonette blocks and surrounding houses. The maisonette blocks and houses can be retained with full refurbishment.

I look forward to the Public Inquiry.
Yours faithfully
