When you contact us, you will need to tell us your name and address, the place where the loss occurred and what caused the loss or damage.

Tell the police if something has been stolen or maliciously damaged.

We will contact our building services provider to contact you to arrange the necessary repairs, subject to validation that the claim is covered.

If someone is making a claim against you for any injury or damage to their property, you must send us full details as soon as possible. Any letters regarding the claim should be sent to us, unanswered without delay. You should not become involved in correspondence with the other person - you must leave us to deal with the matter on your behalf.

Insurance Act 2015

This policy is compliant with the principles of the Insurance Act 2015 law reforms. It also incorporates an 'opt out' which aims to promote good customer outcomes. We have opted-out of the 'proportionate reduction of claim remedy' available to insurers under the Act. This means that in cases of non-disclosure or misrepresentation which are neither deliberate nor reckless, if we would have charged an additional premium had we known the relevant facts, we will charge that premium and pay any claims in full rather than reducing claims payments in proportion to the amount of premium that would have been charged.

We believe that our 'additional premium approach' should, in most situations, be more favourable to our customers when compared to the proportionate reduction of claim remedy. Our additional premium approach does not affect our right to apply the other remedies available under the Act for non-disclosure or misrepresentation.

Cancellation rights

This policy does not entitle you to a cooling-off period.
